Dear Forrest Chapin:

Thank you for your application for renewal in the Environmental Laboratory Accreditation Program. Attached is a new Certificate of Accreditation covering the one-year period beginning 6/14/2026 and a current Scope of Accreditation.

Based on your laboratory's most recent PT Study result, full accreditation is warranted for all applicable parameters. As a reminder, continued participation in the Ecology Lab Accreditation Program requires the lab to:

- Submit a renewal application and fees annually.
- Report significant changes in facility, personnel, analytical methods, equipment, the lab's quality assurance (QA) manual or QA procedures as they occur
- **Participate in proficiency testing studies semi-annually, with the following exception: For each parameter where all PT results were satisfactory, you are required to submit only one PT result over this next year, and in subsequent years, as long as the results are satisfactory.**

If you have any questions concerning the accreditation of your lab, please contact Jason Gillilan at (509) 907-3044, or by email at [Jason.Gillilan@ecy.wa.gov](mailto:Jason.Gillilan@ecy.wa.gov).

Sincerely,
